

Protect Your Investment

Performance for a lifetime.

Protect your investment with KitchenCare's Extended Warranty program

Give yourself peace of mind by protecting your equipment investment with a Welbilt KitchenCare® Extended Warranty. An extended warranty allows operators to manage repair costs beyond the original manufacturers warranty, including parts and labor.

Your Welbilt KitchenCare extended warranty coverage, including all terms and conditions, is identical to the Welbilt factory warranty that you received when you purchased your equipment. This full factory warranty would now be extended by one extra year from the effective start date of that warranty (select Delfield products can also be extended multiple years). For complete details on your factory warranty coverage, access the Welbilt KitchenCare website at www.wbtkitchenare.com

Welbilt KitchenCare Extended Warranty:

Protect your equipment and budget both for approximately the price of **ONE** service call. The features of extending your warranty include:

- Safeguards against unexpected costs of repairs.
- A KitchenCare Extended Warranty can be financed as part of the original equipment purchase.
- All service work is performed by an authorized service agent that is factory trained and audited and uses only genuine OEM parts.
- Your uptime is maximized with no additional out of pocket expenses during the life of the extended warranty.
- An even better value when purchased with a KitchenCare Installation and Planned Maintenance Care Package.

Brands Offering Extended Warranty

KitchenCare extended warranties are available at the time of purchase on many of Welbilt Foodservice leading brands, including Cleveland, Convotherm®, Delfield®, Frymaster®, Garland®, Lincoln and Merrychef®.

* Convotherm 4 Combi Steamers have an original factory warranty of 2 years parts and 1 year labor and can be extended to 2 years parts and labor by purchasing a KitchenCare Extended Warranty.

** FQF and OCF Fryers have an original factory warranty of 2 years parts and 1 year labor and can be extended to 3 years parts and 2 years labor by purchasing a KitchenCare Extended Warranty.

Purchase and Pricing

For a price that is typically less than just one service visit, you can now extend your original factory warranty. Extended warranties can be bought at the time of original equipment purchase and can be financed with your equipment through Welbilt. For more information about extended warranties visit WBTKitchenCare.com or talk to your Welbilt dealer or sales representative.
